

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: Customers, Distributors and Sales Representatives
Date: December 1, 2005
Subject: Grayhill Series 62P meets Restriction on Hazardous Substances

The Restriction on Hazardous Substances requires many of the substances commonly used to manufacture electronic components be removed, or reduce to acceptable levels by July 1, 2006.

Grayhill's Series 62P is in compliance with this directive. There will be no changes to the part number sequence. Shipping boxes and packaging slips will be labeled with a lead-free marking in accordance with JESD97 and a RoHS Compliant tag.

Please contact your Grayhill, Inc. sales associate with any questions you may have.
